

Errata corrigere

In *Phytopathologia Mediterranea* April 2004, page 37 (P. Lo Cantore and N.S. Iacobellis, First report of brown discoloration of *Agaricus bisporus* caused by *Pseudomonas agarici* in southern Italy) the captions of Fig. 2 and 3 were inadvertently misprinted and the passage should have read:

Fig. 2. Deterioration of *Agaricus bisporus* tissue blocks inoculated with 10 μ l drops of *Pseudomonas tolaasii* NCPPB2192 (A) or with *P. agarici* USB78 (B) 10^8 cfu ml⁻¹ suspensions. The tissue blocks in upper rows were treated with sterile distilled water.

Fig. 3. Symptoms on whole sporophores of *Agaricus bisporus* inoculated with 10 μ l drops of *Pseudomonas tolaasii* NCPPB2192 (A) or with *P. agarici* USB78 (B) 10^8 cfu ml⁻¹ suspensions.
